Re: American Nazi Party

On June 7, 1960, a confidential source, who has furnished reliable information in the past, advised that at a meeting of the Young Socialist Alliance (YSA) in New York City, held June 4, 1960, at 45 East 7th Street, New York City, the question of a proposed Nazi rally to be held at Union Square, New York City, on July 4, 1960, was discussed.

According to the source, it was disclosed at this meeting that there was a question as to whether the New York City Police Department would afford a permit to the Nazi organization attempting to hold this rally. In this connection it was stated at this meeting that the YSA should support the right of this Nazi party to hold their rally; however, it was further stated that there should be no action by the YSA as yet inasmuch as the Socialist Workers Party (SWP) in New York City was presently meeting to decide on policy toward this rally.

The source advised that at this meeting the members present were urged to consider the formation of a joint committee with a broad basis which would defend the rights of this Nazi party to hold this rally. This group, which would include other radical youth, would then descend on this rally in considerable numbers, approximately 200 strong, and attempt to take over this rally with force and violence if necessary and turn it into an anti-Fascist rally. It was further pointed

out that it was the necessity of a Marxist youth group to always be on the alert to any Fascist movement and it was stated that this was an opportunity to meet the onslaught head on and come to grips with real flesh and blood Fascists.

The source advised that it was decided at the above YSA meeting to allow the Executive Committee to consider the next move after the SWP had made its decision on a course of action.

On June 6, 1960, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that Lincoln Rockwell had been granted a permit #107 from the New York City Park Department allowing him the use of Union Square, New York City, on July 4, 1960, from 3:00 p.m. to 5:00 p.m. for the purpose of exercising his "constitutional right to free speech privileges" in holding a meeting of the American Nazi Party on this date.

b6
b7C

Detective [redacted] advised that in applying for the permit to use Union Square, New York City, on July 4, 1960, Rockwell stated that his organization consisted in membership of 57 individuals, not further identified, and that there would be about 12 speakers at the meeting of captioned organization on the above date.

Rockwell, in his application, made no mention that he would use sound equipment at Union Square. According to Detective [redacted], it would be necessary for Rockwell to obtain an additional permit from the New York City Police Department to use such equipment and to date no such application has been made.

b6
b7C

Detective [redacted] has advised that he would immediately furnish any additional information concerning the above rally.

APPENDIX

YOUNG SOCIALIST ALLIANCE

The May, 1960 issue of the "Young Socialist" (YS), page one, column three, disclosed that during May 15-17, 1960, a national organization entitled the Young Socialist Alliance (YSA) was established at Philadelphia, Pennsylvania. This issue stated that this organization was formed by the nation-wide supporter clubs of the publication YS.

The above issue, page six, set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political party capable of providing the working class with political leadership on class struggle principles and that the supporters of the YS have come into basic political solidarity with the SWP on the principles of revolutionary Socialism.

A confidential source advised on May 11, 1960, that the original YSA was an organization formed during October, 1957, in New York City, by youth of various left Socialist tendencies, particularly members and followers of the SWP. The leaders of this group were the guiding forces in the establishment of the national organization.

The source further advised that the YSA is dominated and controlled in its leadership and ranks by members of the SWP. The source added that the SWP considers the YSA as the leading force in the radical youth field and its current and future hope in regard to recruits and the promulgation of the SWP movement throughout the United States.

The headquarters of the YSA are located at 45 East 7th Street, New York City.

The YS is a monthly publication, self-described in the May, 1960 issue as the newspaper of the YSA.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Report Written June 9, 1960.

Meeting Socialist Workers Party N. Y. Local
116 University Place, New York, N.Y. June 9, 1960.

b6
b7C

Present at the meeting:

[Redacted]

[] preside at the meeting. [] was recording secretary and [] and [] collected dues and pledges.

[] gave the literature report. [] reported on the forthcoming 3-day movie and social of the YSA to be given at 116 University Place next week-end, the proceeds to go for the YSA national fund drive. The SWP comrades were urged to support it.

b6
b7C

[] gave the fund drive report. He said that the local was in good shape and that the fund drive would probably be met. He called for increased pledges and got a few. He announced a social for Saturday night.

b6
b7C

[] reported on the party's and the Exec. Committee's report on the rally to be given by the American Nazi Party at

NY 100-97078

Union Square on July 4th. He said that he and [] had been very busy in trying to interest the city's Jewish organizations into joining the SWP's forces for action in arousing the minority and working class community in the city for a counter-rally at the Square. The Jewish groups felt that the best policy was to ignore the whole thing. [] has been busy in contacting the Park Department which has the Nazi request for a permit on file. He has been trying to find out if the Park Department was going to give LINCOLN ROCKWELL the permission and the police protection for holding the rally. The Park Department has not granted the permit as yet but [] were informed that the permit would be granted if ROCKWELL pressed his claim. The city would have to give permission because of the Supreme Court Decision in the Rosenberg case in which the Rosenberg committee had been refused permission by the City but the decision of the Court overruled the city.

b6
b7C

[] said that then he contacted [] and that a new committee had been formed called The Committee to Combat Racial Defamation with [] as chairman and [] as secretary (representing the youth of N.Y. Youth Committee For Integration). This committee is soliciting names of prominent people for a broad coalition on the left to sponsor an anti-Fascist front.

[] stressed that the names on this committee meant very little since it will be the SWP and its forces and allies and whatever the party and the youth can muster that will fill the Square for a counter-rally. [] has already applied for a permit from the Park Dept. to hold the rally on July 4th from the hours of 11 to 2 just prior to the Nazi rally. [] said that the party will devote a large part of the next issue of The Militant to the Nazi rally and will have mass distributions throughout the key areas of the city such as Harlem, Lower East Side, Garment Center, Brooklyn, etc. of both the Militant and party leaflets. [] took names of all those who will distribute Militants and leaflets from Saturday through Wednesday throughout the city.

b6
b7C

NY 100-97078

The big problem, [] said, was in the doubt as to whether the City Park Dept. and the Wagner administration would grant the permit to the Nazis. If the permit is denied and there is no rally, the party would have to decide whether to hold the committee rally anyway as a July 4th anti-fascist, anti-racist rally which has its merits. He stressed his own view that he did not consider ROCKWELL's group in any way a serious fascist threat but that the time to fight fascism was when it rears its head, not when it has grown out of hand. He stressed that the SWP must take the lead as it has on so many other occasions when there was any movement or ferment on the left or right wing attacks. He said the SWP is getting the reputation of being a fighting radical party and in this way has taken over the role of the C.P. which in former years, prior to the Khrushchev revelations, played this vanguard role.

b6
b7C

In the questioning period, [] stressed that the Committee to Combat Racial Defamation was a committee of names to give the impression of a broad base but that the persons at this meeting and the youth and the contacts and the working masses that will be drawn to the rally at Union Square (SWP rally) will constitute the real action part of the committee. He expressed here a hope that some of the youth would be able to influence the more aggressive youthful & hoodlum elements among the Negro, Puerto Rican & Jewish elements in Harlem, Greenwich Village, Lower East Side, etc. to attend the rally and physically respond to the Nazis and some violence would ensue. This was greeted with laughter & applause of the comrades. He stressed that to a large extent filling the Square with the people of this character was the task of the youth (YSA) and indeed the success of the rally would be mostly in the hands of the youth.

b6
b7C

[] gave the organizer's report. He said that the Militant sub drive had passed its quota and 187 new subs had been obtained. He urged the comrades to raise the local's quota of subs to 250 by the deadline of July 15th. This was passed. He announced the

b6
b7C

NY 100-97078

next Militant forum of June 10th to be given by [redacted]. He read a letter from the camp urging everyone who cannot take his vacation in August when the party will need to muster all its forces for the petitioning to get the party on the ballot, to take their vacations in June and spend it at Mountain Spring camp in order to ensure the financial ability of the party to have the Trotsky School next fall.

b6
b7C

He described the difficulties involved in getting the SWP on the ballot in New York State and how essential it was that the party not fail. He told of the success, through a communication from [redacted] of the first successful street rally of the SWP in Greenwich Village on Tuesday evening at 8th St. & Mac Dougal. He urged more comrades to get behind the street rally. Among speakers at the rally were, [redacted] and [redacted]. He said there will be a street rally there every Tuesday.

b6
b7C

[redacted] then went on to answer some of the criticisms of the party that had come up in the branch discussion of electoral policy. He turned down the suggestion that an approach be made to the Marcyites for help in getting the party on the ballot giving as reason the hostility of the Marcyites to the SWP positions especially on Cuba and the fear of turning to MARCY & COPELAND for help might be interpreted by the Marcyites as a sign of SWP weakness. He suggested instead the possibility of approaching some of the Buffalo people on an individual basis. He declined the suggestion about leaflets in Spanish as being too costly.

b6
b7C

[redacted] protested this decision saying that the local had a duty to try to reach the Spanish speaking community both Puerto Rican and Cuban especially after [redacted] tour to Cuba and the Militant's pro-Castro stand. He further suggested the Militant have a page in Spanish and that individuals from the party join and become associated in Spanish speaking clubs in the city.

b6
b7C

NY 100-97078

[] referred a proposal that the SWP form a fraction and do opponent's work in the Committee for a Sane Nuclear Policy to the Exec.

b6
b7C

* * * * *

It is noted that the June 13, 1960, issue of "The Militant" confirms the information furnished by the informant in the above report.

In addition to the above, an article appearing in this issue, entitled "Expect 'Sit-In' Youth Will Join NY Rally," discloses that [] secretary of the Committee to Protest Racial Defamation, has stated that a preliminary survey indicates that the youth who have been active in the sit-in demonstrations in NYC in relation to the protest of a Woolworth store lunch counter policies can be counted on to join in the anti-Nazi protest rally in Union Square on the 4th of July.

Confidential
and A source (who has furnished reliable information in the past) on June 13, 1960, made available a copy of a two-page leaflet, dated June 3, 1960, on the letterhead of the American Nazi Party (ANP) and which was sent by Lincoln Rockwell.

The leaflet reviews some of the past activity of the ANP and states that Jews have been trying "to provoke a fight which will put us out of business". It adds that on July 4, 1960, the ANP will "invade" New York, New York, "the headquarters of international Jew treason" at which time "Jew judges" will attempt to throw them in prison. The leaflet ends with a request for contributions in order that bail money will be available if needed.

A photostat of this leaflet is attached to) each copy of this memorandum.

Regarding captioned organization, the source advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

The source advised on May 4, 1960, that Rockwell was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

Rockwell on March 26, 1959, furnished Special

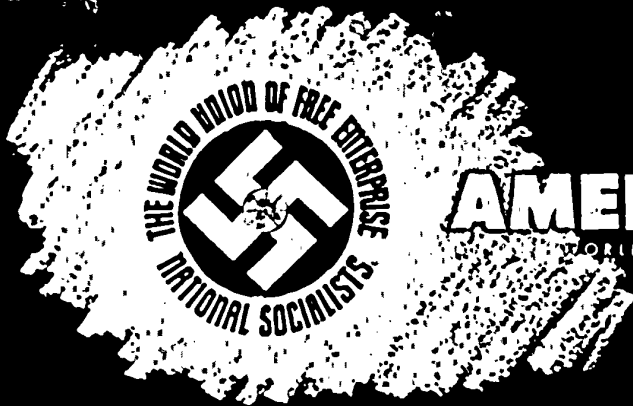

ADD #76 107-13-68

RE: AMERICAN NAZI PARTY

Agents of the Federal Bureau of Investigation a copy of the program of the WUPENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUPENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

The source advised in May, 1960, that the headquarters of the group is located at 928 North Randolph Street, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open air talks in the Spring of 1960 on the Mall in Washington, D.C.

Fellow WHITE MEN!

Last week, in front of the White House where we were picketting and distributing literature exposing Jewish treason, a Jew spit on my hands and then right in my face, -trying to provoke a fight which would put us out of business. The U. S. Attorney decided it was no assault (crime) for this Jew to spit on us, promise to do it again, and boast of it.

On the D. C. Mall between the Capitol and the Washington Monument, where we speak every Sunday afternoon, Jews have thrown garbage at me, hit our troopers with rocks and fists, and openly incited hundreds of their screaming fellow Jews to riot and disorder. They seek to have us charged with "inciting to riot" by the mere fact that we tell the truth about these filthy traitors, and the hard-pressed Police, most of whom are privately with us, do all they can, -including dragging off some of the worst offenders. But the pressure from the rich and powerful Jews on the top officials is terrific, and we daily face prison as the Jews seek to shut us up by ANY means, the fouler the better. Only the quiet, silent courage of American officials, who are learning fast the tyranny of the Jews, keeps us out of their filthy clutches.

A few weeks ago, we put two troopers in monkey suits, rented a shiny convertible, and drove them all over the Nation's Capital all day with signs reading "National Association for the Advancement of Apes and Cannibals", and "Us Equals demands Our Civil Rights", -"Us Demands to Eat Lunch with de White Folks". Hundreds of thousands saw us and CHEERED! -But there was not ONE WORD in even the local press about this.

The Jews are desperately trying to starve us to death in the "dark" by giving the impression that we are doing nothing. It won't work, of course, because we are daily gaining strength and raising so much pure "hell" for them and before so many people from all over the world that they are exposing their own tyranny over the press. They are merely "bottling up" the pressure and when they are finally FORCED to publicize our activities, it will be an "explosion" twice as wonderful for us and fearful for them as if they had reported our activities honestly. They are hoping that we will soon be "framed" so that the press "explosion" can be super-smearing, but we are scrupulously careful to obey all laws and regulations, and know how to handle ourselves

in court, as we have failed again and again. Even their gross provocations, such as spitting in our faces, have not succeeded in getting our disciplined troopers to commit a single act which they can use as an excuse to hustle us into the silence of prison.

The Jews know they can't bottle us up forever with a phoney press black-out. Sooner or later, we will battle our way to such obvious public recognition that the continued black-out will be too much exposure of the Jew power over the press, which we have been preaching. But they are desperately hoping and trying for some way to make the inevitable national headlines derogatory, --to have us SHUT UP and UNDER CHARGES when they are forced to reveal our dramatic activities at last. They know that when they "let us out" into the "national pastures", --we will literally sweep the field, gain thousands of tough, dedicated young men who have never heard of us but are eagerly searching for a way to FIGHT, --they know we will be un-stoppable with the national publicity they cannot deny us much longer.

So, on the Fourth of July, we will smash this filthy paper-curtain and burst out into the open. There is nothing they can do about it, except naked terror and violence, and we are ready, trained and even eager for that, once they start it illegally.

On the Fourth of July, we will "invade" the headquarters of international Jew treason, NEW YORK CITY, and we will stand in UNION SQUARE, --the stronghold of stronghold of Jew Communism, and DECLARE AMERICAN INDEPENDANCE OF JEWISH TYRANNY AND DOMINATION.

Our police friends hold their heads and groan that we will surely be killed, but we won't! We have heard this refrain before. "It can't be done!" the Jews are too strong", --"They'll throw you in jail!" --etc etc etc. --But we have approval for a PERMIT, and we are not amateurs or cowards. We will stand there as NAZIS, blast Jewish treason, lies and terror, --and arrogantly march away victorious. --And we will have broken the back of Jewish terror once and for all, and proved to the WHITE MAN that he CAN defy the Jews, that he CAN survive, that he WILL survive.

Our strategy is to prove by personal example that the Jews are NOT all powerful; that without funds or help, often even without enough to eat or a place to sleep, --we can BEAT the Jew tyrants, --beat them to death. We have discovered that if we stand up and defy the Jews boldly enough, the millions of timid, discouraged Americans who know the deadly truth but who can't imagine any way to fight it, --will crawl out from under the beds and tables and try defying the traitors too. And THAT'S ALL IT WILL TAKE TO SAVE OUR NATION AND RACE, WHITE MAN.

We MUST STAND UP AND DEFY THESE JEW VILLAINS, --and we MUST SURVIVE!

On July Fourth, I will lead my dedicated young men into more danger than I have faced flying in two wars for the U. S. NAVY. Jew judges will be hysterically screaming to throw us into prison, as they have the helpless lads they caught in mere possession of anti-Jewish material. Jew hoods and killers will be organized into howling mobs to terrorize the truth into silence. But they will NOT throw us into prison, and they will NOT kill us. I know this as surely as I know that the White Man will not perish from this earth.

The forces of darkness and evil are at their height and appear the most powerful ever in history, --but they, like a ball thrown into the air, are also nearest their downfall, when they reach the top. The Jews win every battle except the last, --and this is IT!

White Man, we do not believe that fighting men should beg. We will not do it. But we also believe that it is the duty of those who have happy homes, wives, jobs, children, good food and decent living to SUPPORT the brave lads here who have none of these things, and bravely dare death, prison and social ostracism to fight the White Man's Battle. We need the "ammunition" to FIGHT, --and we ask you to deny yourself at least enough to provide that ammunition,

We are going to defy the Jews in New York come hell or high water. But we ask you to help us do it decently, with proper preparations and some money for bail if we need it. Right now, we do not have the RENT for the headquarters, and they are going to turn off our lights today if we don't pay the electric company. That's the truth, and a sorry commentary on the will of the White Man to FIGHT.

Please put some CASH in an envelope NOW, and mail it to us. We get it safely. It will mean far more than any money you have ever sent to anybody.

In dedication to the WHITE MAN and AMERICA!

Lincoln, R. Russell

Report Written June 6, 1960.

Meeting Young Socialist Alliance
45 East 7th Street, New York, N.Y.

N.Y. Local
June 4, 1960

Present at the meeting were:

b6
b7C

[] reported for the Exec. that there will be resumed regular educational for the membership following the business meetings. He reported on the progress of the classes being held on Sundays. He said that final plans were being made for a fund raising affair either a movie or a tape recording of the San Francisco hearings of the Un-American Committee. No action was finally taken.

b6
b7C

[] reported on possibilities for future summer forums. [] was voted social chairman. [] gave the financial report and collected the dues and pledges. There was \$9.97 in the treasury with bills totally 103 dollars. He appealed for funds and read the list of names of members in bad standing who under the new national constitution would not be allowed to vote. [] gave the fund drive report which showed New York lagging far behind.

b6
b7C

[] then presented the newest action proposal which was a consideration by the membership of what action to take on the proposed Nazi rally to be held at Union Square, July 4th. He said the latest was that there would be no rally because the police had refused to give them a permit. [] said that the YSA should support the right of the Nazis to have their rally. [] said that there would be no action by the body just yet since the SWP is meeting at the present time to decide on a policy toward the

b6
b7C

NY 100-133479

rally. But he said that it was the duty of the USA to discuss and think about the possibilities. He urged them to consider the formation of joint committee with broad basis which would first defend the rights of the Nazis to hold their rally and then to go down in great numbers, say 200 to their 100 and take over their meeting with force and violence if necessary and turn it into an anti-facist rally. He stressed the necessity of a Marxist youth group to always be on the alert for any fascist movement and this was an opportunity to meet the onslaught head on and come to grips with real flesh and blood fascists. It was voted to let the exec consider the next move after the SWP had made its decision on a course of action.

NY 2935-S* on 6/8/60, furnished information indicating that on that date a meeting of the Industrial Council, Industrial Division, CP, USA, New York District, was held in Room 9-G, Adelphi Hall, 74 Fifth Avenue, New York City. The informant made available the following information concerning this meeting which began at approximately 7:50 PM:

NY 100-132430

UNMAN (Believed to be MILT ROSEN) "Comrades, we have one main point on the agenda tonight and that is a report on the recent convention of the Negro American Labor Council in Detroit some 10 days ago. Before we get to this, however, I have a couple brief announcements.

As most of you know, Comrade GENE DENNIS, the National Chairman of our party, is in the hospital at 5th Avenue and 100th Street and has already undergone an operation for lung cancer. There is a great hope for his recovery and he'll be glad to receive your cards and best wishes.

One other point - a rather alarming thing. On July 4th the American Nazi Party has filed for a permit to have a rally in Union Square...that's on July 4th. We have learned that this permit was granted several days ago by the Department of Parks. Now, this is a complete disgrace and I think that every labor union and labor leader in this city should protest this act. Protests must be made to the Park Department to stop this meeting on the 4th.

I also want to announce that this Friday evening at Central Plaza Annex at 7:30 pm, CLARENCE HATHAWAY is going to give an analysis of the current primary elections in relation to the forthcoming National Elections. This is an important meeting and I hope you can all attend.

"As you all know, ten days ago in Detroit the founding convention of the NAALC was held. The development of this organization has been one of the prime concentration efforts of the Industrial Division for the past several months. In New York some 200 Negro trade unionists went to Detroit

NY 100-132430

for the convention. From Buffalo about 75 went. Now that means that 275 Negro unionists attended from New York State. From our party here in New York about 20 comrades participated and worked in the convention. There were also some comrades from the up-State area. Tonight we are going to hear a report on the NALC from one of our comrades who attended, [redacted]"

[redacted] "Comrades, this will be a short report and by way of background, we must remember that the formation of the NALC was an outgrowth of a desire to have a Negro leadership organization primarily for the Negro trade union worker. As a result this convention was held and was significant in all respects. For one thing, all the delegates paid their own way. For another, valuable contacts were made. When we arrived in Detroit there was some confusion as nothing had been organized too well --- not as well as we could do it. Nevertheless, on the first morning the convention started as scheduled with Brother [redacted] making the keynote address. We then went into the constitution of the NALC -- a very lengthy document of some 30 pages, but worthy of study. Immediately one point came up; the provision in the constitution called the anti-communist provision or clause. A number of delegates spoke on this article and the decision was made not to send it into committee until the following day. At this point the convention (having lasted from 11:00am to 2:30pm) was discontinued until the following day.

b6
b7C

The recess early the first day actually served to allow the setting up of committees. For example the Freedom Committee was set up headed by [redacted] of New York. There was also set up a Political Action Committee, but we couldn't find out if it ever functioned. There was also set up a Grievance Committee since all grievances could not be brought up on the floor of the convention. In all ten organizations took advantage of this to place grievances before the committee. Some of them were: ILA, Clerks....., Postal Alliance, Fireman's Association of Baltimore (ph) and others.

b6
b7C

NY 100-132430

An Organizational Committee was to be set up but I don't think it ever functioned.

The next morning the constitution was the first item on the agenda. The anti-communist clause came under fire and it was decided to modify its wording; the NALC was opposed to communism instead of a hard anti-communist rule. Dues were then set at \$4.00 (per year?). I don't think the present wording of the opposition to communism in the constitution is much of a problem. After all, it is the only stand [] can take after so much talk at the start of the organization. Then came the question of a slate. Brother [] presented a slate of 15 Vice-Presidents and asked for a vote. The slate could only be voted up or down-no room for discussion, no changes. This brought on a general round of speeches. A woman delegate rose and complained that there were no women on the National Executive Board. Another woman grabbed the mike and held it for five minutes despite the efforts of Brother [] to get it away.

b6
b7C

A series of retreats on the part of [] then took place. Brother [] recommended that he step down and let a woman take his place. District 65 opposed this. So Brother [] proposed that two women be nominated. Recommendation was passed that one woman from Brooklyn would be a Vice President and one..... which was accepted.

b6
b7C

Following this the convention recessed, but all the top officers stayed in Detroit one more day to finalize their position. Since that time they have issued a memorandum to all Executive Officers - I don't have a copy of it with me, but it contained two points that really show the direction of the NALC.

NY 100-132430

1. NALC must be established right away - no delay.
2. To establish it, they propose that they bring in a paid organizer - although none of the other officers are paid anything.

Comrades, the doors of the NALC are open wide. There is no question that it gives us the opportunity of functioning as an infiltration unit not only in one union but many more based on the NALC functioning throughout the trade union movement. The NALC will meet this week in New York to discuss the future. We want to get in the ILA and the Teamsters. These then, were the highlights of the convention."

UNMAN (MILT ROSEN) "We have others here who attended. [redacted]?"

[redacted]: "I think the party established its base at the convention and was accepted. The main thing is to build up the NALC. We had a good idea of all that went on during the convention - we were there to form ties for the future. The NALC has a broad base and our party has a great responsibility in this respect. We can spread it all through the trade union movement. I was very proud of the party during the whole thing and I know MILT was on top of the NALC so we knew what to expect in the constitution. UNMAN "Sorry I'm late. I missed the main talk so I'll take the other side of the thing. All was not good at the convention; the leadership was far behind the rank and file and I know [redacted] was afraid of the direction the NALC might take if he lost control. I would say there was no democratic methods used. The constitution was rushed through even though it gives all power to two things, the President and The National Executive Board. The National Executive Board is made up of Vice Presidents and an equal number of rank and file. But power does not rest in the broad membership ... this is a weakness. At anytime the President does not think a local council is doing a good job, he can

b6
b7C

NY 100-132430

come in and take over the whole thing including records, check books and etc.

At least a beginning was made and we should give every ounce of our energy to the organization. One last point, Right now we need [redacted] His ideas are good. Later he may go....but not me, not me."

b6
b7C

Informant advised that a break was called after which questions and answers were discussed from the general membership. At one point [redacted] answered: "Maybe I can make it clear. The National Executive Board of the NAIC is made up of the various Vice Presidents, but in each city there will be a NAIC Council, for example New York will have one, Buffalo will have one and so on. These council heads will get together on a statewide basis and will be called the State Executive Committee."

Mr. [redacted] "Did delegates register as to the industry they are in?"

[redacted] "No"

UNMAN: "Were there any ILG members there?"

b6
b7C

[redacted]: "A couple. They identified themselves when they spoke."

UNMAN: "Any delegates from the South?"

[redacted]: "One speaker identified himself as being from Birmingham. Maybe 2 or 3 cities in the South were represented."

Following this, informant advised that an Unman spoke on the difference between the NAIC and the NAACP but no real answer could be found except that the NAIC is only in the Negro trade union movement.

NY 100-132430

A female complained that the article in the "Worker" played up the negative side of the convention. Other speakers followed in rapid order and included the following: [REDACTED]

[REDACTED] commented that people who are attacking the NALC clamm by its nature it is JIM CROW in reverse.

b6
b7C

Informant advised that meeting was adjourned at approximately 10:50pm.

Informant advised that throughout the course of this meeting most of the speakers and Unman [REDACTED] referred to it as "our council" and "the Industrial Division",

WASHINGTON 25, D. C.

June 24, 1960

AMERICAN NAZI PARTY
RACIAL MATTERS

George Lincoln Rockwell, Organizer and Head of captioned organization, stated today that although Jewish organizations have apparently kept him from speaking in New York City on July 4, 1960, he has won a major victory over the Jews. He explained that the newspapers in Washington, D. C., have given him and his movement very little publicity while New York newspapers in reporting on the injunction to keep him from speaking in that city have afforded his Party much publicity which he claimed is vitally needed.

It is noted that the Park's Commission in New York City had granted a permit to Rockwell to speak at Union Square on July 4, 1960. The "Evening Star," Washington, D. C., newspaper for June 22, 1960, reported that petitions had been filed before the New York State Supreme Court for various civic organizations protesting the issuance of the permit to Rockwell.

The New York City Police Department advised on June 23, 1960, that the hearing before Justice Vincent Lupiano of the New York State Supreme Court resulted in a permanent injunction against the Park's Commissioner for the issuance of a permit to any organization, such as the American Nazi Party, for the use of any facilities in New York City to remain in effect.

Rockwell claimed that before his appearance in the New York State Supreme Court, he was having difficulty obtaining publicity and that now he has had so many calls from newspapers and publications that he has been able to be selective to whom he grants interviews.

100-157-13-77

RE: AMERICAN NAZI PARTY

He also stated that he has got the American Civil Liberties Union (ACLU) in a trap because they will now have to defend him. He explained that the ACLU has been given the case to appeal Justice Lupiano's decision, and that the ACLU will have to defend him in order to "make sure that the courts still insure freedom of speech for communists when they are defended by the ACLU."

Regarding captioned organization, a source, who has furnished reliable information in the past, advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

The source advised on May 4, 1960, that Rockwell was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

Rockwell on March 26, 1959, furnished Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and zionist treason.

The source advised in May, 1960, that the headquarters of the group is located at 928 North Randolph Street, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open air talks in the Spring of 1960 on the Mall in Washington, D. C.

Re: American Nazi Party
Racial Matters

On June 22, 1960, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that on that date, at approximately 10:30 a.m., a hearing was held before Justice Vincent Lupiano, New York State Supreme Court, New York City, concerning the issuance of a permit to George Lincoln Rockwell, Commander, American Nazi Party (ANP) for the use of Union Square, New York City, on July 4, 1960.

b6
b7C

Indefinite
Present at the above hearing, in addition to Rockwell, who was accompanied by [redacted] described as a lieutenant in the ANP, were representatives of various civic groups, such as the Jewish Labor Council, the Jewish War Veterans, Public Awareness Society, and Abe Stark, President of the New York City Council, who stated he was appearing at the hearing as an American citizen.

Representatives of the above-mentioned civic groups, Abe Stark, and other unidentified citizens all presented their protests to Justice Lupiano against the issuance of a permit to Rockwell by Parks Commissioner Newbold Morris.

Detective [redacted] advised that Rockwell also presented arguments as to why he and his party, the ANP, should be granted a permit for the use of Union Square, New York City, on July 4, 1960.

b6
b7C

Justice Lupiano adjourned the hearing until 11:00 a.m. on June 23, 1960, pending word from Parks Commissioner Newbold Morris as to whether or not Rockwell would be granted a permit for the use of Union Square, New York City, on July 4, 1960, and advised all parties appearing before him to submit briefs regarding the issuance of this permit.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

ADD # 1, 157-13-847

Re: American Nazi Party
Racial Matters

Detective [] advised that, in the meantime, Robert F. Wagner, Mayor of the City of New York, announced that no permit would be issued to Rockwell for the use of Union Square, New York City, on July 4, 1960.

b6
b7C

Detective [] stated that at approximately 11:00 a.m. on June 22, 1960, Justice Lupiano ordered a five minute recess in the hearing, whereupon Rockwell was interviewed in the rotunda of the New York State Supreme Court Building by members of the press and television.

During this interview, Rockwell was surrounded by approximately 100 spectators who were extremely hostile towards him and attempted to assault him. Detective [] advised that it was necessary for him and other representatives of the New York City Police Department to rescue Rockwell from this crowd of spectators by taking Rockwell and his aide, [] to another room off the main corridor of the New York State Supreme Court Building.

b6
b7C

At approximately 11:05 a.m., the hearing was reconvened before Justice Lupiano who promised Rockwell that his rights would be protected if he should reappear at the hearing scheduled for 11:00 a.m. on June 23, 1960.

Detective [] advised that the above hearing was finally adjourned at approximately 12:00 noon, whereupon he escorted Rockwell and [] to La Guardia Airport, New York City, and placed both of them on American Airlines Flight Number 577 bound for Washington, D. C., leaving New York City at 1:20 p.m. on June 22, 1960.

b6
b7C

Detective [] advised that Rockwell informed him that he, Rockwell, would notify officials of the New York City Police Department if he planned to return to New York City in connection with his attempt to speak at Union Square, New York City, on July 4, 1960.

Re: American Nazi Party
Racial Matters

On June 23, 1960, Detective [] advised that, on that date, a hearing was held before Justice Lupiano, New York State Supreme Court, New York City, which resulted in original action brought by Public Awareness Society for a permanent injunction against Parks Commissioner Morris for the issuance of a permit to any organization such as the ANP for the use of any facilities at New York City to remain in effect.

b6
b7C

All other petitions brought by other organizations and individuals for the granting of a similar permanent injunction were withdrawn on June 23, 1960.

b6
b7C

[] representing the Jewish War Veterans (JWV) at the above hearing on June 23, 1960, stated that if a similar situation ever arises again and the Parks Commissioner procrastinates as he did in this situation in rejecting the issuance of the permit, the JWV will institute proceedings for the removal from office of the Parks Commissioner.

Detective [] further advised that the American Civil Liberties Union (ACLU) representative, [], was present at the June 23, 1960, hearing but he made no motions. However, [] advised [] Corporation Counsel of the City of New York, this situation "might be dumped in his lap," and, since the time is short before July 4, 1960, the ACLU might have to take the matter before the United States Court of Appeals in New York and, if turned down there, before the United States Supreme Court in Washington, D. C.

b6
b7C

On June 24, 1960, Detective [] advised that on that date, a hearing was held before Justice Louis L. Friedman, Kings County Supreme Court, Brooklyn, New York, in which Assemblyman Irwin Brownstein and New York State Senator Frank J. Pino filed application to dissolve the ANP and restrain George Lincoln Rockwell, Commander, ANP, "from engaging in any subversive and Nazi political activities in New York State."

b6
b7C

Re: American Nazi Party
Racial Matters

Detective [] advised that Rockwell, on June 28, 1960, sent a telegram to the court stating he had received no legal summons to appear at the hearing held on June 28, 1960, and would not appear.

b6
b7C

Detective [] further advised that at the June 28, 1960, hearing, an application for the arrest of Rockwell was made by one [] New York City, representing the JWV, on the complaint that Rockwell had violated Sections 720-722 of the Penal Law of New York State, "Disorderly Conduct," in inciting the disturbance which occurred at the New York State Supreme Court Building, New York City, on June 22, 1960.

Justice Friedman advised he would not act on this application pending discussion of it with New York County District Attorney Frank Hogan.

On June 30, 1960, Detective [] advised that a warrant for the arrest of Rockwell on a misdemeanor charge under Sections 720-722 of Penal Law of New York State was signed by Justice Louis L. Friedman on June 29, 1960. The warrant is returnable at Lower Manhattan Magistrate's Court, and, if that court is closed, it is returnable to any other Magistrate's Court. The warrant has been certified for service on Sunday or at night and copies of it have been sent to the Chief of Detectives, New York City Police Department, and to the New York State Police Department.

Present at the meeting were:

PETE CAMEJO

[] presided at the meeting. The meeting had been called suddenly to discuss in detail the strategy and tactics of the YSA in regard to the forthcoming Nazi rally to be held at Union Square on July 4th.

After much discussion and heated debate it was decided by the members to set up a steering committee which would coordinate YSA actions in the formation of a youth committee for the counter-rally which is being sponsored by the Committee Against Racial Defamation. Five YSA members were elected to this steering committee; []

[] There will be a meeting aiming toward the formation of a youth committee at the home of [] on Wednesday. At this meeting it will be decided whether or not to set up a new youth committee or to simply work as a group with the Committee Against Racial Defamation. Much will depend on the outcome and attendance at Wednesday night's meeting. Assignments were given out and members were instructed to make contact and go into all youth organizations especially of the left, including YPSL, CP Zionist and Jewish youth groups, etc. Mass distributions were planned in conjunction with the SWP which is also taking part in the backing of the Committee.

b6
b7C

Discussion involved mostly whether there was time to try to form any youth committee or whether the best

NY 100-133479

tactic would be to try to go out and get the elements that were needed to insure a full and active attendance on the 4th. [redacted] said that the most important thing was to insure the filling of Union Square and that the Fascists be taught a needed lesson, that they are not children playing games, that in this kind of politics (fascism) they can get hurt. [redacted] [redacted] also expressed hopes of some form of physical violence being perpetrated against the Nazis by uninhibited youthful enthusiasts.

Regarding ROCKWELL's military service, his Navy officer service record, as reviewed on May 6, 1959, reflected he was appointed an Aviation Cadet, United States Naval Reserve, on June 12, 1941, and entered on active duty the same date. On 3/2/42, he was honorably discharged to accept a commission as Ensign, United States Naval Reserve, on 3/3/42, and continued on active duty. He was released from active duty on 11/22/45, as a Lieutenant, United States Naval Reserve.

He was recalled to active duty on 9/21/50, as a Lieutenant Commander, United States Naval Reserve, and was released from active duty on 10/20/54, as a Commander, United States Naval Reserve.

He was on active training duty from 2/20/56, to 3/4/56, and from 8/13/56, to 8/26/56, as a Commander, United States Naval Reserve.

The "Evening Star," a Washington, D. C., newspaper for 1/15/60, carried an article stating that the United States Navy that day announced it was revoking the reserved commission of the "self-styled Arlington Nazi" GEORGE LINCOLN ROCKWELL. The article added that procedures had been instituted to terminate his reserved commission on the grounds that his mobilization potential had been reduced to the point where he is of no further value to the Navy. The article says that ROCKWELL could appear before a board of officers to contest this action.

WFO 157-1

The "Evening Star" for 2/9/60, contained an article stating that the Navy had discharged ROCKWELL, a Reserve'd Commander, after investigating his activities as leader of a group that calls itself the American Nazi Party. The article indicated this action was taken following a hearing before a board of officers on 2/1/60.

LEL Membership meeting
228 Ashland Place Bklyn NY
June 15, 1960

On the evening of June 15, 1960 at around 8:30 pm members of the LEL assembled at their usual weekly membership meeting. It came to my attention that the organization had on its agenda various topics for discussion. The first of these were the reading of the minutes which was omitted due to the absence of Mr. & Mrs. [redacted] (Mrs. [redacted] happens to be the organization's secretary). The next topic on the agenda was a report by [redacted] concerning the new class that has been formed "America's Road to Socialism. Mr. [redacted] gave a short talk about the class, explaining the objectives and aims of the class, and further my attention was called to the strict assignments that would be given out each week by the instructor - Mr. [redacted]. The next topic on the agenda was a social report given by [redacted] which pertained to the different task each member has been assigned for the up coming social of June 25, 1960 at the LEL headquarters.

Further attention was called to an announcement made by [redacted] to the effect that during the week of June 25, 1960, [redacted] of the North Carolina NAACP will be in town and it is the wish of Mr. [redacted] to try and arrange to have Mr. [redacted] speak at the LEL headquarters. Also, if it is possible to get Mr. [redacted] to speak the LEL will make special preparations to arrange a public announced Forum and have Mr. [redacted] as its principal speaker. It was further reported that Mr. [redacted] has just returned from Cuba on a visit requested by the Cuban government; also it was reported that Mr. [redacted] is in accord and supports the Cuban revolution and the CASTRO regime. It was decided by the membership that if Mr. [redacted] could not speak on Friday, June 24, 1960, then effort would be made to have him speak at the LEL

social and make it a Forum-Social, however Mr. [] reminded the group that it was against the law to distribute leaflets advertising a social, but he suggested that announcements could be sent through the mail.

The meeting was later turned over to Mr. [] organizer of SWP, who spoke about the coming to New York of a Facist group under the direction of OLIVER ROCKWELL, who is suppose to demonstrate in the Union Square area on July 4, 1960. My attention was called to Mr. ROCKWELLs background as a White Citizen Council member also other racists groups to which he has belonged. Mr. [] reported that he had contacted various Jewish organizations in the New York area about their intentions on the coming of a Nazi group to New York City, however it was reported that they plan to ignore Mr. ROCKWELL and his group. On the other hand Mr. [] is of the opinion that a counter demonstration should take place between the hours of 11 am to 2 pm. since the ROCKWELL group is schedule for 3 pm., further Mr. [] feels that as a Fascists group they should be exposed to the public. Mr. [] further reported that the capitalist government seem not to mind the existence of Fascism because the Fascists are a right arm of a capitalists government when a Labor or Workers party begin to take form. Mr. [] also reported that everyone attending the demonstration should bring a good sized stick or something similar in order to be prepared for whatever might take place.

PRESS RELEASE

COMMITTEE TO PROTEST RACIAL DEFAMATION

Telephone: BE 3-8998

Chairman:

New York 6, N. Y.

Secretary:

New York, N.Y.

b6
b7C

FOR IMMEDIATE RELEASE

NEW YORK, June 9 -- [redacted] well-known civil-liberties and labor attorney, today announced that a newly formed Committee to Protest Racial Defamation had applied for a permit to hold a protest rally in Union Square from 11 a.m. to 2 p.m. on the Fourth of July.

The rally has been called to protest the scheduled gathering of the American Nazi Party of Virginia later the same day. The anti-Jewish, anti-Negro organization, together with another rabid fascist outfit, the National Renaissance Party of Yorkville, is bringing in Negro-baiting commandos from the South who will wear the Nazi uniform -- khaki shirt and trousers, Sam Browne belt, and swastika arm bands. Employees at the City Parks Department said that the Provocative Nazi application for a permit to speak for Hitlerism in Union Square was being "processed."

We have applied for a permit at an earlier hour, LYNN said, "in order to permit New York's working people to exercise their democratic rights to answer in advance the racist poison with which this anti-Semitic fuehrer and his White Citizens Councils followers from the South plan to defile Union Square."

LINCOLN ROCKWELL, head of the Nazi outfit, and a commander of the U. S. Navy until he was discharged from service some four months ago, first gained national notoriety a year and a half ago after a Jewish temple was bombed in

NY 100-97078

Atlanta. A letter from ROCKWELL was found in the home of one of the men arrested for the crime.

ROCKWELL has threatened to invade New York with a picked contingent of storm troopers from Virginia and other parts of the country.

[] said that the Committee to Protest Racial Defamation, of which he is chairman, "will urge the people who assemble in Union Square for our rally to stay after it is over to hear ROCKWELL. Let him tell civil-rights fighters to their faces that they must submit forever to the Jim-Crow system. Let him tell members of New York's Jewish community to their faces that he advocates for them the same 'final solution to the Jewish question' that Hitler carried out with his gas chambers. Let him defend his co-thinker and comrade-in-arms Eichmann, now awaiting trial in Israel for murdering six million European Jews."

b6
b7c

[] said that he hoped "every labor, Jewish and anti-Jim Crow organization in New York City will participate in the Fourth of July protest rally from 11 a.m. to 2 p.m. in Union Square by sending speakers and by explaining to their membership the importance of packing Union Square."

SUBJECT: AMERICAN NAZI PARTY
RACIAL MATTERS
(OO:WFO)

Reurlet to WFO 6/22/60, setting forth information regarding [redacted] Brooklyn, N. Y.

[redacted] advised on 8/16/60 that a [redacted] was at the headquarters of the American Nazi Party, 928 North Randolph Street, Arlington, Va., on 8/16/60. According to the informant GEORGE LINCOLN ROCKWELL, head of the American Nazi Party, had requested this individual to attempt to get followers of JAMES MADOLE to join ROCKWELL's movement. He is to report back to ROCKWELL in about a month regarding his efforts in this connection.

For the information of the New York Office, ROCKWELL confided to Captain [redacted] Metropolitan Police Department, Washington, D. C., that he intends to move to the South when his current court troubles are over. Local newspapers reported that ROCKWELL wants to relocate in New York City.

It is noted that three of ROCKWELL's strongest followers, DAN BURROS, [redacted], are from the New York area. Should [redacted] be able to line up some supporters in New York City it is logical to assume that ROCKWELL may relocate the American Nazi Party there if he decides to move.

The New York Office should follow [redacted] activities through appropriate sources to determine the extent of his recruiting activities for the American Nazi Party.

RE: AMERICAN NAZI PARTY

WFO should remain alert to the Department observation concerning statements by Rockwell that he considers his program or political philosophy as "totalitarian." In the event any information is obtained concerning this matter, an appropriate letterhead memorandum should be prepared.

REPORTS BACKING FOUR TALK HERE

Civil Liberties Union Says City Should Let Rockwell Speak Despite Ideas

The New York Civil Liberties Union backed George D. Rockwell, self-styled American Nazi leader, in an appeal yesterday to the State Supreme Court to protect his right to speak in public.

The union emphasized its disapproval of his ideas but said that any denial of rights to anybody imperiled the rights of all.

A hearing will be held next Wednesday on Rockwell's petition for an order to compel the city to issue a permit for him to speak in a public park. Mayor Wagner barred a permit for a rally Rockwell had proposed to hold July 4 in Union Square.

The union's board of directors said in a statement:

"Rockwell has correctly stated that the N.Y.C.L.U. abhors the totalitarian philosophy he expresses, but what it thinks of his views has no bearing on whether he has been denied a constitutional right to speak. Unless this right is maintained for everybody, the principle of free speech is endangered."

Emanuel Radfield, counsel for the group, said yesterday:

"The real test of the right to speak comes in just such critical challenges as this case, involving a group hostile to everything we believe in. I believe, therefore, that this challenge must be met if the guarantee of freedom of speech is to be meaningful."

The court action charges that refusing the permit violated both the Federal and State Constitutions as "prior restraint and censorship of the proposed speech" and that it "unlawfully discriminated against the petitioner."

The action was taken under Article 75 of the Civil Practice Act. The petition also charges that under Section 21-A of the city's regulations for the Department of Parks, the Mayor and Park Department were "required to issue the permit to the petitioner and had no power or discretion to pass upon the qualifications of the speaker or the possible content of his speech."

Next Wednesday's hearing will be in Special Term, Part 1, of the State Supreme Court, Manhattan.

Rockwell, 42 years old, was released Aug. 4 from the District of Columbia General Hospital after he had been found mentally competent and fit to stand trial. He is to appear in court in Washington Aug. 31 on charges of disturbing the peace. He is accused of responsibility for a riot there in July.

Re: American Nazi Party
Racial Matters

On September 1, 1960, a representative of the New York Civil Liberties Union, 156 Fifth Avenue, New York City, New York, made available a copy of a press release dated August 16, 1960, which appeared in the August 17, 1960 issue of "The New York Times" and which is set forth below in its entirety:

"New York Aug. 16 - A hearing on a petition for an order compelling the city to issue a permit for a public park speech by George L. Rockwell, head of the American Nazi Party, will be held Aug. 24 in Special Term Part I of the State Supreme Court, Manhattan, according to a petition filed in that court today.

"Emanuel Redfield, counsel to the New York Civil Liberties Union, will appear in the court to support the action, in line with the position taken by NYCLU's Board of Directors in June, after Mayor Wagner had denied issuance of a permit for Rockwell's proposed July 4 rally in Union Square. At that time, the NYCLU Board, while recognizing the 'strong emotional feelings' of many New Yorkers toward Rockwell's views, maintained that Supreme Court decisions have pointed out clearly the unconstitutionality of pre-censoring any speaker by a city official.

"The current action, which is being brought under Article 78 of the Civil Practice Act, charges that denial of the permit violated the United States and the New York State Constitutions because it constituted 'prior restraint and censorship of the proposed speech and unlawfully discriminated against the petitioner'.

NY 157-13

JDB:ras
(7)

AD-157-13-104

American Nazi Party

"The NYCLU petition stated further that under Section 21-A of the city's Rules and Regulations of the Department of Parks, as well as court decisions applying the First and Fourteenth Amendments of the United States Constitution, 'the respondent was required to issue the permit to the petitioner and had no power or discretion to pass upon the qualifications of the speaker or possible content of his speech'.

"In its statement agreeing to support legal action to establish Rockwell's right to speak, the NYCLU Board of Directors emphasized that the sole criterion for its decision was whether there had been a violation of Rockwell's constitutional rights, with respect to the denial of a permit.

"Rockwell has correctly stated that the NYCLU abhors the totalitarian philosophy he expresses,' the broad statement noted. 'But what it thinks of his views has no bearing on whether he has been denied a constitutional right to speak. Unless this right is maintained for everybody, the principle of free speech is endangered.'

"Mr. Redfield added today his own personal revulsion to Rockwell's group, stressing that 'The real test of the right to speak, however, comes in just such critical challenges as this case, involving a group hostile to everything we believe in. I believe, therefore, that this challenge must be met if the guarantee of freedom of speech is to be meaningful'."

The above-mentioned New York Civil Liberties Union (NYCLU) representative advised that the word "totalitarian" which appears in the next to last paragraph of the above press release, to her knowledge, was not based on statements made by Rockwell to the NYCLU, but was a word utilized by the NYCLU to characterize Rockwell's political philosophy.

AMERICAN NAZI PARTY
RACIAL MATTERS

A source, who has furnished reliable information in the past, advised on September 13, 1960, that George Lincoln Rockwell, Organizer and Commander of the American Nazi Party, is attempting to have a nationwide demonstration on September 19, 1960, in protest of the visit to the United States by Nikita Khrushchev. It is noted that Khrushchev is coming to the United States as Head of the Soviet Delegation to the United Nations.

The source learned that Rockwell is preparing approximately twelve hundred posters carrying the name of Fighting American Nationalists and bearing the symbol of an eagle and shield. The posters will contain wordings such as "Khrushchev Go Home" and "K for Killer". Rockwell is making calls to individuals in various cities of the United States in an effort to sell these posters for \$.75 apiece for groups to use in picketings in their areas in protest of Khrushchev's trip to the United States. Among those cities Rockwell is definitely sending posters are: Baltimore, Maryland; Chicago, Illinois; Indianapolis, Indiana; Little Rock, Arkansas; Los Angeles, California; Newark, New Jersey; New York, New York; and Philadelphia, Pennsylvania.

Rockwell stated that he does not want this demonstration linked in any way with the American Nazi Party and that he intends to organize the picketing of the White House on September 19, 1960, by individuals other than members of his organization. They would carry these placards which he has prepared. According to the source, Rockwell also intends to send literature to these cities for individuals to distribute in protest of Khrushchev.

A description of captioned group is attached to each copy of this memorandum.

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

The source advised on August 9, 1960, that the main activity of the organization has consisted of picketings of the White House with anti-Jewish placards, distribution of anti-Jewish literature and open air talks by ROCKWELL attacking Jews as traitors to the United States. On July 3, 1960, and July 24, 1960, ROCKWELL was arrested on charges of disorderly conduct. The charges arose out of talks by him on those dates. On the latter occasion 16 other members of the American Nazi Party were also charged with disorderly conduct.

in this letter. If a post office box or street address is given as a return address, investigation should be conducted to ascertain the identity of the box owner or the resident of the address given. Information of any activity with regard to Capital matter should be furnished the Washington Field Office, which is the Office of Origin, and an information copy thereof should be furnished the Richmond Office inasmuch as ROCKWELL resides at 928 North Randolph Street, Arlington, Virginia, which is within the confines of the Richmond Division. It should be noted that ROCKWELL'S address also is the headquarters of the American Nazi Party.

The referenced letters requested the same type of investigation and in event that data set forth in this letter is the same as previously furnished indicating ROCKWELL is corresponding to same person, the offices are still being furnished copies of this letter in order that they may be aware of the continued correspondence between captioned Party and the individuals mentioned.

Copies of this letter are being furnished the Buffalo, Cincinnati, Denver, Phoenix and San Diego Offices, although this letter requests no investigation, due to the fact that ROCKWELL received mail from someone in these divisions, and therefore, it is felt that these offices should be aware of the possible activities of individuals in behalf of the American Nazi Party.

All offices should be alert for any information indicating contacts by captioned organization with persons residing outside of the United States.

For the offices who have not have previous communications in this matter there is set forth the characterization of the American Nazi Party. The source used in this characterization is [redacted].

AMERICAN NAZI PARTY

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

RH 157-93

The source advised on May 4, 1960, that ROCKWELL was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

ROCKWELL on March 26, 1959, furnished Special Agents of the FBI a copy of the program of the WUFENS, stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and zionist treason.

The source advised in May, 1960, that the headquarters of the group is located at 928 North Randolph Street, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open-air talks in the spring of 1960 on the Mall in Washington, D. C.

For the information of all offices, JAMES K. WARNER is the National Secretary of the American Nazi Party. When reporting mail received by WARNER, his last name only will be set forth. Same is also true for reporting mail received by ROCKWELL. As previously stated, the American Nazi Party has headquarters at 928 North Randolph Street, Arlington, Virginia, and utilizes Box 1381, Arlington, Virginia, as their mailing address. ROCKWELL previously has resided at 6512 Williamsburg Boulevard, Arlington, Virginia, and other places in the Virginia area adjacent to Washington, D. C.

FROM : SAC, WFO (157-1)

SUBJECT: AMERICAN NAZI PARTY, aka
RACIAL MATTERS
(OO:WFO)

[redacted] DC-Maryland Director, ADL B'nai B'rith, WDC, advised on November 15, 1960, that he had received the following info from an ADL source in the American Nazi Party (ANP).

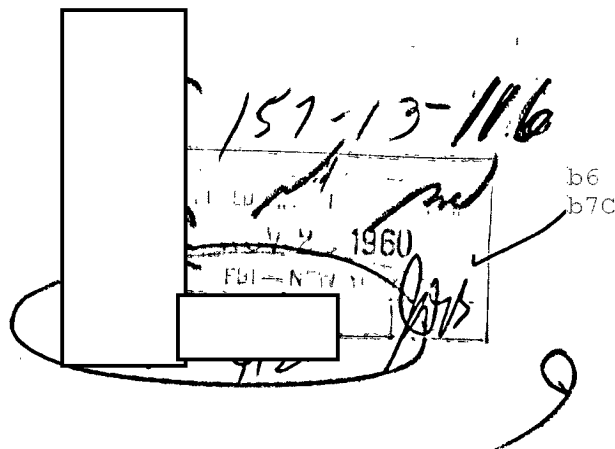

b6
b7C

The Baltimore Office is already aware of the activity of certain individuals in Baltimore, Md., in the ANP, and to date this activity has stemmed from trips to the ANP Headquarters, 928 N. Randolph Street, Arlington, Va. The ADL source has advised that a separate chapter has now been organized in Baltimore, Md., and that this group is planning action very soon. Details of the contemplated action were not learned.

[redacted] National Secretary of the ANP, has stated to the ADL source that the Baltimore group is a "strong bunch." [redacted] has also stated that the Chicago group is larger than the Washington, D. C., group, and the New York and the Los Angeles groups run about 35 members each. [redacted] further stated that the Philadelphia group is probably fewer in number.

In a letter to [redacted], North Carolina, on November 7, 1960, [redacted] stated, "Those Nazis in Hollywood are real white men. They have the taste of blood and want more. I hope they inspire men throughout the country to stand up and fight. Our other Nazi group called us up that night from Hollywood and gave us the details. It was arranged with our headquarters that the two groups not know about each other."

b6
b7C

Info has been received from informants that the ANP is attempting to organize a front organization known as Fighting American Nationals (FAN). This group would be composed of those individuals who would like to be of help to the ANP, but who, because of their work or other reasons, cannot associate with the Nazi Party.

WFO informants have further advised that ROCKWELL has always indicated he has had more members in his organization than actually existed. Also every time a person in another area of the country would indicate an interest in receiving some literature of the ANP, ROCKWELL would always indicate that a chapter of the organization was located in that area. With the organization of the FAN, however, it is entirely possible that ROCKWELL now may be gaining some headway in establishing chapters in other cities of the U. S.

The Offices receiving copies of this letter should contact all logical sources and racial informants for any info as to whether chapters of the ANP or the FAN have actually been established in those cities.

The Baltimore Office is requested to make efforts to develop appropriate informant coverage of the Nazi group in Baltimore, Maryland, in order that the activities of this group will be known.

The Los Angeles Office is requested to attempt to develop informants who can furnish info concerning the activities of those individuals arrested recently in Hollywood, Calif., while protesting the marriage of SAMMY DAVIS, JR. and [redacted].

ROCKWELL stated that one of the primary purposes of the Chicago group at the present time is to recruit individuals for the group. They should attempt to select strong individuals who would be willing to wear the Nazi arm bands and participate in picket lines. He told the group that he was pleased with those who are already in this Chicago group, and was of the opinion that it is a better group as a nucleus than the group in Baltimore. In speaking of groups other than in Chicago, ROCKWELL referred only to the group in Baltimore in regards to the Nazi Party.

ROCKWELL advised that the dues for the American Nazi Party would be \$5 a month, \$2 of which would be retained by the Chicago unit and the other \$3 would be sent to the Party headquarters in Arlington, Virginia.

ROCKWELL stated that the uniform for the American Nazi Party would consist of the following: Khaki shirt, Khaki trousers, a belt, brown tie, and an arm band bearing a swastika. He stated that they should buy some sort of a leather cap resembling a storm troopers cap. The uniform was not to bear any insignia other than the swastika on the arm band.

During the course of the meeting ROCKWELL stated that if the American Nazi Party unit in Chicago located a regular meeting place they should put up a swastika flag and equip the place with a small table with candles and a picture of the Fuhrer to create atmosphere in regards to the initiation of new recruits.

ROCKWELL advised that there would be absolute discipline in the organization and that he desired that no member of the organization have any brush with the law whatsoever and that should any member become entangled with any law enforcement agency he would be immediately expelled. He implied to those present that in time to come the American Nazi Party would take over the United States by constitutional means and that at some subsequent time he would be in the White House.

He told those present that all Communism is Jewish and that all Jews are Communists.

During the meeting ROCKWELL advised that the American Nazi Party was organizing a front group known as the Fighting American Nationalists. He stated that at this time

this front group is quite active in the New York area. He stated that members of FAN would be those who are in agreement with the American Nazi Party but afraid to wear the swastika. He stated that he desired that a member of the Nazi Party of America be in charge of the Fighting American Nationalists in Chicago and appointed [] to be the leader of this group in Chicago.

b6
b7C

Prior to the conclusion of the meeting, [] [] advised that the next meeting of the Chicago unit of the American Nazi Party would be held later on during this same week or one evening the week following, and that he would advise those present as to the time and place.

During the evening ROCKWELL advised that he attempted to get hold of [] [] Chicago) to attend this meeting.

b6
b7C

ROCKWELL had instructed that [] tape record the proceedings of the above meeting and at the conclusion of the meeting he took the tape from [] and told him that he would return the tape after he was through with it.

Re: American Mail Party
Racial Matters

In December 9, 1949, NY T-1 who has furnished reliable information in the past, made available a pamphlet entitled "NY IS FIGHTING" which reads as follows:

"We are here to protest in strength the fact, that identified Communist Party members are again being used in motion pictures. The red traitors have broken through. For the sake of our people and the preservation of our Christian Constitutional Republic, we are here to record our determination to destroy communist-zionist in-American marxist traitors.

But since we are a people who want the facts, we intend to give them honestly and clearly and let the Judge of God rule, remembering that Abraham Lincoln said 'DO NOT SAY ANYTHING WHEN THEY TRULY FIGHT, MAKE SURE OF YOUR'.

The screenplay of "EXCISE" is written by one Walter Treake. Walter Treake, who of the "Un-American Activities (HCUA)" in October 29, 1949, is listed as being in "NEW YORK COMMUNIST PARTY HARBOR HIF." He was identified as a "COMMUNIST" by the "NEW YORK TIMES" in "NEW YORK COMMUNIST" in

1953, also by THREE FORMER COMMUNISTS in 1952, and by THREE in 1951 (HCUA, Annual report for the year 1953, page 52.) This same 'AMERICAN' was convicted of contempt of Congress in Federal District Court, Washington, D.C., May 3, 1948, being found GUILTY of REFUSING to tell the HCUA whether he was a COMMUNIST or belonged to the Screen Writers Guild. On May 21, 1948, he was SENTENCED to a year in JAIL and a fine of \$1,000. Following two unsuccessful appeals to the Supreme Court, TRUMBO on June 9, 1950, began serving his jail term. Released in April, 1951, TRUMBO at once resumed participation in COMMUNIST-FRONT ACTIVITY. Trumbo is dedicated to the destruction of our AMERICA, will YOU be as dedicated to reject TRUMBO and 'EXODUS' and walk by this theatre.

WE would note also that 'EXODUS' is a blatant example of Zionist hate. It is adding insult to murder and injury, while at the same time the RIGHTS of a MILLION PALESTINE REFUGEES are ignored, with the Zionists in the curious role of 'Freedom fighters', while in fact they are INVADERS of a land which has been ARAB for over 1700 YEARS. FAN believes that this artificial state is a grave danger to PEACE in the Middle East.

As FIGHTING AMERICAN NATIONALISTS, WE ARE DETERMINED TO OPPOSE TREASON WITH STRONG OPEN NATIONALIST ACTION! WE WANT YOU TO RAISE YOUR HEAD HIGH AND WALK BY 'EXODUS', your action equals a BAYONET AIMED AT THE HEART OF TREASON AND BETRAYAL. Brave American soldiers, YOUR SONS, HUSBANDS, SWEETHEARTS AND BROTHERS HAVE BEEN TORTURED AT THE HANDS OF COMMUNIST MURDERERS IN KOREA, these communists were aided by JUDASES such as DALTON TRUMBO. APPENDIX

AMERICAN RACE PARTY

A source who has furnished reliable information in the past, advised on February 27, 1950, that George Lincoln Rockwell of Arlington, Virginia, had held an organizational meeting of the White Citizens' Council (WCC) at his residence on February 21, 1950. Six persons were present and they agreed to the WCC, comprised the following:

An officer of the organization, Rockwell told the agent that the WCC would be an international movement and that the section of the organization in the United States would be known as the American Party of the WCC.

Rockwell, on March 21, 1950, furnished to Special Agents of the Federal Bureau of Investigation a copy of the program of the WCC stating that he expects to become president of the United States through the organization's platform. The main tenets of the WCC, as outlined in the program, call for the elimination of Negroes in Africa and the total and execution of all Jews guilty of Communist and Jewish treason.

The source advised on August 1, 1950, that the main activity of the organization has consisted of picketings of the White House with anti-Jewish placards, distribution of anti-Jewish literature and open air talks by Rockwell attacking Jews as traitors to the United States. On July 3, 1950, and July 24, 1950, Rockwell was arrested on charges of disorderly conduct. The charges arose out of talks by him on these dates. On the latter occasion thirteen other members of the American Race Party were also charged with disorderly conduct.
